10.	Server to be hired from BSNL with matching capacity	250,000.00
11.	Programming of Radio	65,000.00
	Total	5,61,000.00
		Approx.

TIME PLAN:

Three activities can start simultaneously:

- (a) Construction a round proof cabin.
- (b) Apply for license to the government authority
- (c) Programme recording by employing the two seen staff.

For activity (a) the funds required are Rs.75,000/-. For activity (b) licensing fees is being determined from authorities. For activity (c) we need 1.8lacs. Item 3 to 8 & 11, once we are ready with this we can ask for server from BSNL to air the programmes.

While chalking out the programmes to be aired we can ask for the rights for music & Gurbani from the relaying agency.

In the mean time we can explore the advertisement to get some revenue's.

At any moments 10,000 to 12,000 listener can tune our programme around the world thorough Internet.

This is a brief project as conceived though Shri Kulwant Singh Gill proprietor Punjab film world.
